

# IXP BCPs

Project from Euro-IX Community  
represented by Wolfgang Hennerbichler

# Best Current Practices for Internet Exchanges

- technical practices
- setup and maintenance of an Exchange Point infrastructure
- set of recommendations deriving from already established IXPs
- commercial and political issues will not be discussed.

# Euro-IX Members get...

- ... access to sample configurations from other IXPs
- ... possibility to contribute content
- ... access to more BCPs

# Public Availability

- Will be published on Euro-IX website soon
- Possibility to add comments for non-members if desired
